

## Submission on the referral

### Fortune Agribusiness Funds Management Pty Ltd – Singleton Horticulture Project

---

This submission is made under regulation 53 of the Environment Protection Regulations 2020

**Government authority:** Northern Territory Police, Fire and Emergency Services

**General Comments:**

- The remote location of the operation is outside the Northern Territory Fire and Rescue Service (NTFRS) Emergency Response Area (ERA), which limits ability to respond to an emergency in a timely manner.
- With regards to road crash/response, the NTFRS crews will respond as required within existing capacity as with any other crash. If the timeliness of that response does not adequately mitigate the risk for the Fortune Agribusiness Funds Management then self-funded measures should be implemented.
- The NTFRS is happy to advise Fortune Agribusiness Funds Management current capabilities in the vicinity of their operations to inform their risk assessment.
- The NTFRS are not in a position to provide comment around environmental impacts within this request for comment.
