

Submission on the referral

RTA Gove Operations Pty Ltd – Closure Works at Pond 2 West

This submission is made under regulation 53 of the Environment Protection Regulations 2020

Government authority: Power and Water Corporation

Summary:

Power & Water own and operate infrastructure nearby to the proposed project works, including the sewer rising main that discharges to the Gunyangara sewer ponds. However, Power & Water does not have ownership or responsibility for the sewer ponds.

Any work that has the potential to impact on pond performance and operation should be referred to Njarrariyal Aboriginal Corporation.
