Dear Dr Freeland,

RE: NT EPA ENVIRONMENTAL GUIDELINES FOR PUBLIC CONSULTATION

Thank you for the opportunity to provide feedback on the draft guidelines the NT EPA released for consultation on 29 May 2013.

- Guidelines on Environmental Offsets and Associated Approval Conditions.
DoI would like this guideline to provide more clarity around the levels or types of offsets acceptable.

The Department of Infrastructure have no comment on the remaining Guidelines.

In general, the Department of Infrastructure finds that the Guidelines will provide an increased level of clarification around requirements when providing an application to the NT EPA.

Should you require any further feedback, please contact Jaqui Bohn, A/Director, Engineering Services on 08 8946 5003 or via email to jaqueline.bohn@nt.gov.au.

Yours sincerely,

ALAN WAGNER
Chief Executive
