LGANT Submission on the NT EPA DRAFT GUIDELINE - RECOMMENDED LAND USE SEPARATION DISTANCES

Via email to: ntepa.consult@nt.gov.au

10 August 2017

About this submission

This submission is in response to an invitation dated 28 June 2017 to comment on the above matter and was from Paul Purdon Executive Director, Environment Protection on behalf of the NT EPA to Tony Tapsell, Chief Executive Officer, Local Government Association of the Northern Territory.

Response

LGANT supports the draft guideline including its recommended land use separation distances. LGANT considers the guideline is a useful addition to matters of land use planning particularly as has been mentioned for greenfield, brownfield and existing land use sites.

Yours faithfully
