**Subject:** RE: Invitation to comment - Referral - Department of Infrastructure, Planning and Logistics – Holtze Development Area

Thank you for the opportunity for NT WorkSafe to review the above matter.  
At this time NT WorkSafe does not have any major comment to make on the referral other than all works conducted within the Northern Territory will be subject to the NT *Work Health and Safety (National Uniform Legislation) Act 2011* and its regulations. All proponents must be aware of these requirements for any activities that may conduct within the NT.  
WorkSafe officers may be attending the site when activities commence.

**Regards**
