SECTION 14 INCIDENT REPORT

Waste Management and Pollution Control Act 1998

Company / Person	Heidi Yates, Nhulunbuy Corporation Limited
Description of Incident	Small area of smouldering mulch was identified in mulch pile. The initial smouldering was observed on 29 September 2026, with a re-ignition occurring in the same area on 30 September 2026. The mulch was smouldering only, and no open flames were observed.
Date and time of incident	29 September 2026 and 30 September 2026.
Location	Gove Peninsula Waste Management Facility

Immediate Actions

The affected areas were small and were promptly extinguished using a fire extinguisher. No pollution resulted from the incident and no clean-up was required. The mulch piles were left in situ following extinguishment.
