Dear Sir/Madam, when Sky Casino developed their new car park , it was promised that Little Mindil beach would be protected. So much for promises! Little Mindil is a little treasure right in the middle of Darwin. It is used by many locals and tourists and cherished by all. We have lost too much green space in Darwin to developers. Lee Point is a good example. With climate change already upon us we need to keep as much greenery as we can in this hot part of Australia. I've been in Darwin for 30years and have seen so much unnecessary development of our green spaces it is unrecognisable. Please help keep Little Mindil beach for all Territorians . Cheers Ron Chute
