

Submission on the referral

Imperial Oil & Gas Pty Ltd – Carpentaria Pilot Project

This submission is made under regulation 53 of the Environment Protection Regulations 2020

Government authority: Department of Territory Families, Housing and Communities

Section of Referral	Theme or issue	Comment
Appendix 2	Report not fit for purpose	The report needs to be revised to meet requirements for the protection and mitigation of cultural heritage. Requirements have been discussed with the archaeologist/ author of the report directly. Proponent to follow up with archaeologist. The Heritage Branch will provide comment once the revised report is made available.
6.5.2 Main report (part 3)	Unexpected finds protocol and mitigation measures	The main report does not mention which recommendations the proponent will be following in relation to mitigation and the unexpected finds protocol for the site. This needs to be informed by the archaeological report (once revised).
