

LUDMILLA WASTE WATER TREATMENT PLANT AND ASSOCIATED FACILITIES

Public Environmental Report

PUBLIC COMMENT INVITED

The Power and Water Authority proposes to upgrade its existing sewerage system in Ludmilla and Larrakeyah. This will be achieved by transferring all of the wastewater from the Larrakeyah catchment to the Ludmilla treatment plant. There will be an upgrade in the capacity of the Ludmilla plant to handle the increased flows due to the transfer, as well as population increases inside both catchments. In addition, the level of treatment at the Ludmilla plant will be improved.

In accordance with the provisions of the *Northern Territory Environmental Assessment Act*, a Public Environmental Report (PER), which describes the project proposal and its potential environmental effects has been prepared by Consulting Environmental Engineers & Sinclair Knight Merz. This document will be available for Public Review from Wednesday October 28 to Wednesday November 25 1998. During this period the proposal may be examined at the following locations:

- Environment & Heritage Division, 2 Floor Darwin Plaza Building Smith St Mall, Darwin.
- State Reference Library, Parliament House Darwin.
- PAWA Customer Services Centre, Ground floor, Jape Building, 18-20 Cavenagh St, Darwin.
- Environment Centre, 24 Cavenagh St, Darwin.
- Darwin City Council Library, Civic Centre, Harry Chan Ave, Darwin.
- Casuarina Public Library, Bradshaw Terrace, Casuarina.

The Executive Summary can be viewed on the Internet for the duration of the public review period at <http://www.lpe.nt.gov.au/enviro/eiareg/eiareg.htm> Interested persons and organisations wishing to comment on the PER for the LUDMILLA WASTE WATER TREATMENT PLANT & ASSOCIATED FACILITIES are invited to make written submissions by the close of business on Thursday November 26, 1998 to:

Attention: Lynne Powell
Environment and Heritage Division
Department of Lands, Planning and Environment
GPO Box 1680
DARWIN NT 1801

Submissions will be treated as public documents unless confidentiality is requested. Copies of all submissions will be forwarded to the Power and Water Authority. Submissions should preferably be on A4 sized paper and in black
