

Appendix D

Cross Reference to EIS Guidelines

Cross Reference of Draft EIS Guidelines with Content of Mount Peake Terms of Reference

Terms of Reference requirements	EIS section / Appendix
General Advice on EIS	
Executive summary	Executive Summary
Main text of the document - list of abbreviations, glossary and acronyms	Provided
A table of how these Terms of Reference are addressed in the EIS, cross-referenced to chapters, page numbers and/or appendices	This table
An outline of the relevant legislation, codes, standards and guidelines applicable to the Project	Chapter 4
A list of persons and agencies consulted during the Environmental Assessment process	Chapter 6, Appendix E
The names of, and work done by, the persons involved in preparing the EIS	Appendix A
The qualifications and experience of the people involved in work contributing to the EIS.	Appendix A
Public Involvement and Consultation	
Demonstrate how public concerns were identified and how those concerns will influence the design and delivery of the Project	Chapter 6, Appendix E
Description of the Proposed Development	
General Information	
The full name and postal address of the Proponent	Section 1.3
An explanation of the objectives, benefits and justification for the Project	Sections 1.1 and 3.1
The Project's location in the region	Figure 2-1
Details of the Proponent's environmental record	No project record to date
Climate and atmospheric characteristics relevant to the Project	Section 9.1.1, Appendix J
Identification of areas under exploration which may be mined in future, or any other potential future activities being planned	Not relevant

Terms of Reference requirements	EIS section / Appendix
How the Project relates to any other proposals or actions	Section 2.1.2
An overview of the schedule for the whole Project	Section 2.1.4
<i>Description of the Proposal</i>	
An outline of the geology of the area	Section 2.2
Delineation of the Project footprint using detailed maps and diagrams	Figures 2-1 and 2-2
<i>Project Components</i>	
Mine	Sections 2.4.1 and 2.4.2
Processing	Section 2.4.3
Road transport	Section 2.4.4
Water	Section 2.5.3
Energy	Section 2.5.2
Waste management	Section 2.7
Workforce and accommodation	Section 2.6
Adnera rail load-out facility	Section 2.4.5
Ancillary infrastructure	Section 2.5
Closure and rehabilitation	Section 2.8, Chapter 16, Appendix M
Alternatives	Chapter 3
Risk Assessment	Chapter 5

Terms of Reference requirements	EIS section / Appendix
<ul style="list-style-type: none"> ▶ Risks to Ground and Surface Water Resources 	Chapter 7, Appendix F
<ul style="list-style-type: none"> ▶ Risks to Biodiversity 	Chapter 8, Appendices G and H
