Were all conditions of the licence/approval complied with during the reporting period?			No
If 'YES', go to declaration		If 'NO', complete details below. Add more rows as needed.	
Incidents/non-compliances notified to the controller List incidents/non-compliances notified to the controller in the reporting period			
Date of incident/non-compliance		Condition number	
Date and method of notification			
Other incidents/non-compliance List incidents/non-compliances not reported to the controller in the reporting period. Attach a document with any details required to be reported as set out in the waste discharge licence conditions.			
Date of incident/non-compliance	07/07/2025	Condition number	22
Details	Condition 22 requires the licensee to install, operate and maintain a device to measure and record discharge flow and volume. The discharge flow meter is currently not operational. It will be repaired or replaced as soon as practicable. Additionally, enhanced measures will be implemented to ensure the preventative maintenance program is completed annually		
Date of incident/non-compliance	December 2023-present	Condition number	27
Details	No general chemistry samples received by lab since December 2023. Currently investigating to determine why the samples have been missed. The investigation will include actions to ensure these samples are collected as soon as possible and continue to be sampled in the future.		

Privacy

The details you provide are published on the Northern Territory Environment Protection Authority website².

If you have any questions about how your personal information will be handled or would like to gain access to your personal information, you can contact Environment Division within the Department of Environment, Parks and Water Security. For more information, read our privacy policy³.

Declaration *

A person with legal authority must sign the declaration. For a licence to be granted in the name of each person in a partnership or a joint interest, each partner or joint interest must sign the declaration.

I hereby declare that the information provided in this application and accompanying document/s is, to the best of my knowledge, true and correct.
