RE: ISSUE OF AUTHORITY CERTIFICATE FOR EAST POINT RESERVE LOT 5775, LOT 5984 DARWIN HARBOUR LOT 5794 LOT 7302 AND PART DICK WARD DRIVE.

I refer to your application for Authority Certificate received on the 15th April 2009 for the above location.

Accordingly, under the powers delegated to me under Section 19 of the *Northern Territory Aboriginal Sacred Sites Act 1989* I am pleased to issue the attached Authority Certificate.

Please read carefully the conditions outlined in the Certificate. In particular, you should note that it has been issued for an indefinite period of time, providing that the works covered by the Certificate start within the period stipulated in condition 3.

You should also note that the Authority has issued you with two identical copies of digitised maps attached. One copy should be retained with your original Certificate. The second is supplied for use by contractors to avoid unnecessary photocopying of a colour coded document.

Larrakia custodians have noted environmental concerns in relation to the proposed works. They request that efforts are taken to minimize the destruction of vegetation. In particular, they note that *Santalum album* (Sandalwood) grows in the area. They request that care is taken to identify and protect these specimens.

Please note that the cost of this Authority Certificate will be **\$1040** and an invoice will be issued to you by the Department of Business and Employment (DBE). The terms and conditions of the invoice will require you to make payment within 30 days of receipt.

If you have any further queries regarding this Authority Certificate please contact Gareth Lewis on 8982 4227.

Yours faithfully,

DR BEN SCAMBARY

Chief Executive Officer
