

Submission on Referral

Provaris Energy Ltd – Tiwi H2 Project

This submission is made under regulation 53 of the Environment Protection Regulations 2020

Government authority: Heritage Branch, Department of Territory Families, Housing and Communities

Summary: No Heritage Issues

Section of Referral	Theme or issue	Comment
Appendix C Cultural Heritage Assessment Report	Cultural Heritage issues within Project Area.	<ul style="list-style-type: none"> Heritage Branch approves of the recommendations made in Appendix C - Cultural Heritage Assessment Report, particularly that a Cultural Heritage Management Plan (CHMP) be implemented. The CHMP will cover all the issues that may arise in the project area, including an Unexpected Finds protocol, heritage training and induction for personnel on site, engagement of site custodians and Traditional Owners, and avoidance of known cultural heritage areas. Heritage Branch are satisfied at present that there are no potential significant impacts in relation to heritage places that have not been described and addressed in the Referral.
