Dear Sir,

**RE: ISSUE OF AUTHORITY CERTIFICATE FOR GRAVEL  
EXTRACTION CH.217-239 KM VICTORIA HIGHWAY**

I refer to your application for an Authority Certificate, faxed to this office, on 2 April 1992 for the above works.

As discussed by phone, and varified with custodians, proposed extraction of gravel for use in road construction associated with the upgrading of the Victoria Highway does not interfere with sacred sites. This relates to identified borrow pit, off-set from chainage 238.8 km and some 2150 m north of centre line of highway.

Accordingly, under the powers delegated to me under Section 19 of the *Aboriginal Sacred Sites Act 1989* I am pleased to issue the attached Authority Certificate.

There is an application fee of \$50 associated with Authority Certificates. Could you please forward your remittance to this office.

Yours faithfully,

DAVID RITCHIE  
CHIEF EXECUTIVE OFFICER
