

Submission on the referral

Department of Infrastructure, Planning and Logistics – Wurrumiyanga Residential Subdivision

This submission is made under regulation 53 of the Environment Protection Regulations 2020

Government authority: Aboriginal Areas Protection Authority

Section of Referral	Theme or issue	Comment
Main report 1.2 Pg 1 Appendix B Figure 6 Pg 7	Gravel extraction from borrow pits	<ul style="list-style-type: none"> The report states that gravel extraction is not part of this referral, but the potential areas for gravel extraction are presented in Appendix B and included in the ecological assessment. These areas and activity are not part of any Authority Certificate. We recommend the proponent apply for an Authority Certificate for the gravel extraction activities when the areas are confirmed.
Main report 3.2.6 Pg 27	Reference to Aboriginal sacred site	<ul style="list-style-type: none"> We confirm DIPL hold the Authority Certificates for township development activities as described. However reference to sacred site 5074-26, located within 100m of the proposed development area, is incorrect. The correct reference is 5074-25.
