Non-compliances

Details of Non-Compliance – Condition 18
When the non-compliance was detected and by whom:
January 2022 – Emma Fakes (Wastewater Quality Officer – Power and Water Corporation).
The date and time of the non-compliance:
The month of January 2022.
The actual and potential causes and contributing factors to the non-compliance:
<p>Wastewater monitoring is conducted at the Acacia Larrakia authorised discharge point on a quarterly basis as per licence condition 18 (monitoring must be conducted in accordance with Appendix 1).</p> <p>1 quarterly phys-chem sample has been missed during the reporting period (January 2022). The sampling contractor has submitted 1 of 2 wastewater samples for the month of January.</p> <p>Power and Water have been transparent with the Department of Environment, Parks and Water Security (DEPWS) regarding the logistical issues present whilst conducting wastewater monitoring sites within remote Indigenous communities. Section 2.1 of the PWC Annual Monitoring Report for Remote Communities 2022 outlines transportation logistics and limitations identified for sampling in remote Indigenous areas. PWC endeavour to collect samples as per licence requirements where possible; PWC endeavour to collect the required number of samples per annum.</p>
The risk of environmental harm arising from the non-compliance:
Nil.
The action(s) that have or will be undertaken to mitigate any environmental harm arising from the non-compliance:

Nil – Wastewater monitoring is scheduled as per licence conditions.

Corrective actions that have or will be undertaken to ensure the non-compliance does not reoccur:

4/4 wastewater samples have been collected for the reporting period at this site. Contractor training and review of sampling monitoring program processes and potential improvements is ongoing.

PWC have requested a change to this condition in future licences to reduce future non-compliances.

If no action was taken, why no action was taken:

Nil – Action was taken.

A date when the incident investigation report will be submitted to the Administrating Agency:

Nil – An incident investigation is not deemed necessary for this type of non-compliance – no further information is available.
