Re: Additional information to the SER - Equatorial Launch Phase 2 Expansion ASC  
Ref. EP2023/031

Dear Dr Vogel,

We are pleased to submit our response to your September 13, 2024, Direction to Provide Additional Information concerning the Supplementary Environmental Report ("SER") submitted by Equatorial Launch Australia Pty Ltd ("ELA") regarding the proposed expansion of the Arnhem Space Centre ("ASC").

In this submission, we have addressed all the questions raised by the NT EPA, ensuring that our responses are comprehensive, accurate, and aligned with the regulatory requirements and best practices. Attachment A contains our detailed responses to each Direction, while subsequent attachments provide the supporting documents referenced in our response.

ELA remains committed to working closely with the NT EPA and all relevant stakeholders to ensure that our operations meet the highest environmental and regulatory standards. We appreciate your guidance and collaboration throughout this process.

Should you require any further clarification or additional information, please do not hesitate to contact me.

Sincerely,

*/s/ Francois Lambert*
