Subject: AMMENDED COMMENT - Invite to comment on accepted referral - Department of Defence - HMAS Coonawarra - Dredging

Good afternoon Holly,

Thank you very much for your call earlier today. Can you please accept the below comment as the only response from the NTPFES, and disregard the previous submission:

In relation to the waterway dredging, the Northern Territory Fire and Rescue Service has little to no capacity to respond to waterway incidents without the support of private contractors.

Many thanks,
Sophie
