

## Submission on the referral

### Crowley Government Services Incorporated – Project Caymus Bulk Fuel Storage Facility

---

This submission is made under regulation 53 of the Environment Protection Regulations 2020

**Government authority:** Northern Territory Police, Fire and Emergency Services

Section of Referral	Theme or issue	Comment
3.3.7.2 Fire System Design Criteria: Table 11	Fire System Design Criteria	Based on the information provided, the proposed fire system design criteria appears to meet requirements outlined in the NCC. It is important to note that without the design specifications of the system, and details on the type of system to be installed, the comment provided by the Northern Territory Fire and Rescue Service cannot be definitive.
