

SECTION 14 INCIDENT REPORT (*Waste Management and Pollution Control Act*)

Date and Time of Notification:	Tuesday 6 th October 2020 7.00pm
Person / Company:	Anna Malgorzewicz Chief Executive Officer Coomalie Community Government Council
Incident:	Fire – General Waste Area Adelaide River Waste Management Facility

(a) the incident causing or threatening to cause pollution	Fire in general waste area.
(b) the place where the incident occurred	Adelaide River Waste Management Facility, Dorat Road, Adelaide River
(c) the date and time of the incident	Incident reported to Operations Supervisor at 4.30pm Monday 5 th October 2020 by council contractor following sighting of small to medium fire. Matter was reported immediately to Chief Executive Officer. CEO in turn reported to local Adelaide River Police. Promis No. 9442946
(d) how the pollution has occurred, is occurring or may occur	An unknown individual is setting fire to general waste. From the size of the fire it is surmised that it was lit no more than fifteen minutes prior to being discovered.
(e) the attempts made to prevent, reduce, control, rectify or clean up the pollution or resultant environmental harm caused or threatening to be caused by the incident	Council contractor immediately brought a water cart to the facility to extinguish the fire. Fire was extinguished. The facility is now fully fenced and a gatehouse is to be installed in the coming weeks. The facility will then be supervised at all times during opening hours.
(f) the identity of the person notifying the NT EPA	Anna Malgorzewicz Chief Executive Officer
