

SECTION 14 INCIDENT REPORT (*Waste Management and Pollution Control Act*)

Date and Time of Notification:	Not sure of the time, I only saw the 2 NT EPA on our store premises around 1;30pm of Aug 27
Person / Company:	Gemma Ulsame / KFC Palmerston
Incident:	Grease Trap Overflow

(a) the incident causing or threatening to cause pollution	Grease trap Overflow
(b) the place where the incident occurred	Back Door Area of KFC Palmerston / GT area
(c) the date and time of the incident	Not really sure of the time but the clean away driver notified us on Aug 27,2020. 10:30am
(d) how the pollution has occurred, is occurring or may occur	The clean away driver, informed my manager Nathan that our GT area has overflowed & the leak went onto our back area, making the floor slippery.
(e) the attempts made to prevent, reduce, control, rectify or clean up the pollution or resultant environmental harm caused or threatening to be caused by the incident	We have coordinated with Clean away to clean up the area by using detergent's & pressurised water to make sure the leak will be out & the area won't be slippery. We have contacted our Local Plumber as well to fix the cause of the leak including all pipes that are broken.
(f) the identity of the person notifying the NT EPA	Gemma Ulsame / Area Coach KFC
