
Project Team

This document is the culmination of many investigations conducted between January 2005 and December 2005. Management and technical direction for these investigations was provided by Vic Farrington and Julie Marris of URS Darwin.

Special thanks goes to Kate Hadden of the Tiwi Land Council and other members of the Tiwi Land Council, Tiwi Local Government and the Traditional Owners for there support and help throughout the preparation of the Draft EIS. Thanks also go to the members of the various Northern Territory Government agencies for the advice and assistance throughout.

The principal authors of the report are:

- Vic Farrington (Project Director);
- Julie Marris (Project Manager); and
- James Collins (Project Environmental Scientist).
