

Submission on the Supplement to the draft EIS

TNG Limited – Darwin Processing Facility

This submission is made under clause 9 of the Environmental Assessment Administrative Procedures 1984 and section 296 of the *Environment Protection Act 2019*

Government authority: Department of the Chief Minister and Cabinet – Strategic Policy

Summary: Comments regarding local employment and workforce accommodation, and closure social impact assessment.

Section of Supplement	Theme or issue	Comment
Supplement - Attachment R	Local employment and workforce accommodation	<ul style="list-style-type: none"> CM&C commends the proponent for the addition of a consolidated commitments register at attachment R. However, CM&C notes there is no specific commitment regarding local employment or workforce composition. CM&C recognises benefits of workers living in the community to increase the skill capability of Darwin to meet the needs of this project. CM&C suggests a worker accommodation plan is developed to ensure benefit to the local economy.
Supplement - Attachment R	Closure Social Impact Assessment	<ul style="list-style-type: none"> CM&C suggests a commitment to undertake a Social Impact Assessment as part of the full closure plan be included in the commitments register at attachment R, to assist in alleviating potential community concerns arising from experiences of impacts from previous large project closures.
