

Submission on the Supplement to the draft EIS

TNG Limited – Darwin Processing Facility

This submission is made under clause 9 of the Environmental Assessment Administrative Procedures 1984 and section 296 of the *Environment Protection Act 2019*

Government authority: Aboriginal Areas Protection Authority

Section of Supplement	Theme or issue	Comment
Main Report Table 6-2 ID 46, 47	AAPA Certificate / sacred site protection	<p>The proponent has adequately responded to the Authority's comments on the Draft EIS.</p> <p>Specifically, the proponent clarified that the Darwin Processing Facility will be operated by their wholly owned subsidiary Enigma Mining, who holds an Authority Certificate for this proposal (C2019/061, issued on 31 July 2019). Additionally, the proponent advised that the proposal is now completely contained within the area covered by this Authority Certificate.</p> <p>The Authority notes that a condition of this Certificate states that the 'Certificate will lapse and be null and void if the works in question or the proposed use is not commenced within 24 months of this Certificate'. If the proponent has any concerns regarding meeting this condition, they are encouraged to contact the Authority directly.</p>
