

Submission on the referral

Department of Infrastructure, Planning and Logistics – Mandorah Marine Facilities

This submission is made under regulation 53 of the Environment Protection Regulations 2020

Government authority: Department of the Chief Minister and Cabinet

Section of Referral	Theme or issue	Comment
9.10 Community and the Economy	Economic assessment	• The Referral includes a high level risk assessment of identified potential impacts on the economy. Preliminary mitigation and management options are supported (Table 9-10) and the Terms of Reference should consider an economic assessment in accordance with the EP Act.
9.10 Community and the Economy	Potential impacts on fishing and shipping	• The Terms of Reference should consider potential impacts on: ○ commercial and recreational fishing industries as a result of the project's construction and operation; and ○ the Darwin Port Shipping Channel during construction.
9.10 Community and the Economy	Workforce composition	• The Terms of Reference would benefit from including consideration of Aboriginal employment.
