Department of Infrastructure, Planning and Logistics – Mandorah Marine Facilities

This submission is made under regulation 53 of the Environment Protection Regulations 2020

Government authority: Northern Territory Police, Fire and Emergency Services

Section of Referral	Theme or issue	Comment
	Location to respond to emergency	Issue: The remote location of the operation is outside the Northern Territory Fire and Rescue Service's (NTFRS) Emergency Response Area (ERA), which limits the ability to respond to an emergency in a timely manner. How to address: If the timeliness of response does not adequately mitigate the risk for Mandorah Marine Facilities then self-funded measures should be implemented. The NTFRS is happy to advise Mandorah Marine Facilities on current capabilities in the vicinity of their operations to inform their risk assessment
	Road Crash/response	Issue: With regards to road crash/response the NTFRS crews will respond as required within existing capacity as with any other crash. How to address: If the timeliness of response does not adequately mitigate the risk for Mandorah Marine Facilities then self-funded measures should be implemented. The NTFRS is happy to advise Mandorah Marine Facilities on current capabilities in the vicinity of their operations to inform their risk assessment
