RE: ISSUE OF AUTHORITY CERTIFICATE FOR MAUD CREEK MINING PROJECT

I refer to your application for Authority Certificate received on the 22nd December 2006 (and modified in May 2007) for the above location.

Accordingly, under the powers delegated to me under Section 19 of the *Aboriginal Sacred Sites Act 1989* I am pleased to issue the attached Authority Certificate.

Please read carefully the conditions outlined in the Certificate. In particular you should note the Restricted Work Areas contained in the Certificate. Also note that it has been issued for an indefinite period of time, providing that the works covered by the Certificate start within the period stipulated in condition 3.

You should also note that the Authority has issued you with two identical copies of digitised maps attached. One copy should be retained with your original Certificate. The second is supplied for use by contractors to avoid unnecessary photocopying of a colour coded document.

If you have any further queries regarding this Authority Certificate please contact Dr Walter Zukowski on 89814700.

Yours faithfully,

JEFFERY STEAD
Chief Executive Officer
