

Submission on referral information

APA SPP Pty Ltd – Sturt Plateau Pipeline

This submission is made under regulation 53 of the Environment Protection Regulations 2020

NT EPA reference number: EP2024/040

Government authority: Aboriginal Areas Protection Authority

Theme / issue	Comment
Main report Table 15 Pg 45 Appendix A Table 1 Pg 9	• The proponent states that an Abstract of Records indicates that there are no registered or recorded sacred sites, or restricted work areas within ~1 km of the Project Area. • The proponent has applied for an Authority Certificate for these works, but it has not yet been issued. The Authority Certificate will confirm whether Aboriginal sacred sites are present in the subject land and any restricted work areas.
Main report Tables 19-24 Pg 54-56	• Mitigation and monitoring measures in the proposed environmental management plans should take account of any restricted work areas to ensure no impact to Aboriginal sacred sites.
